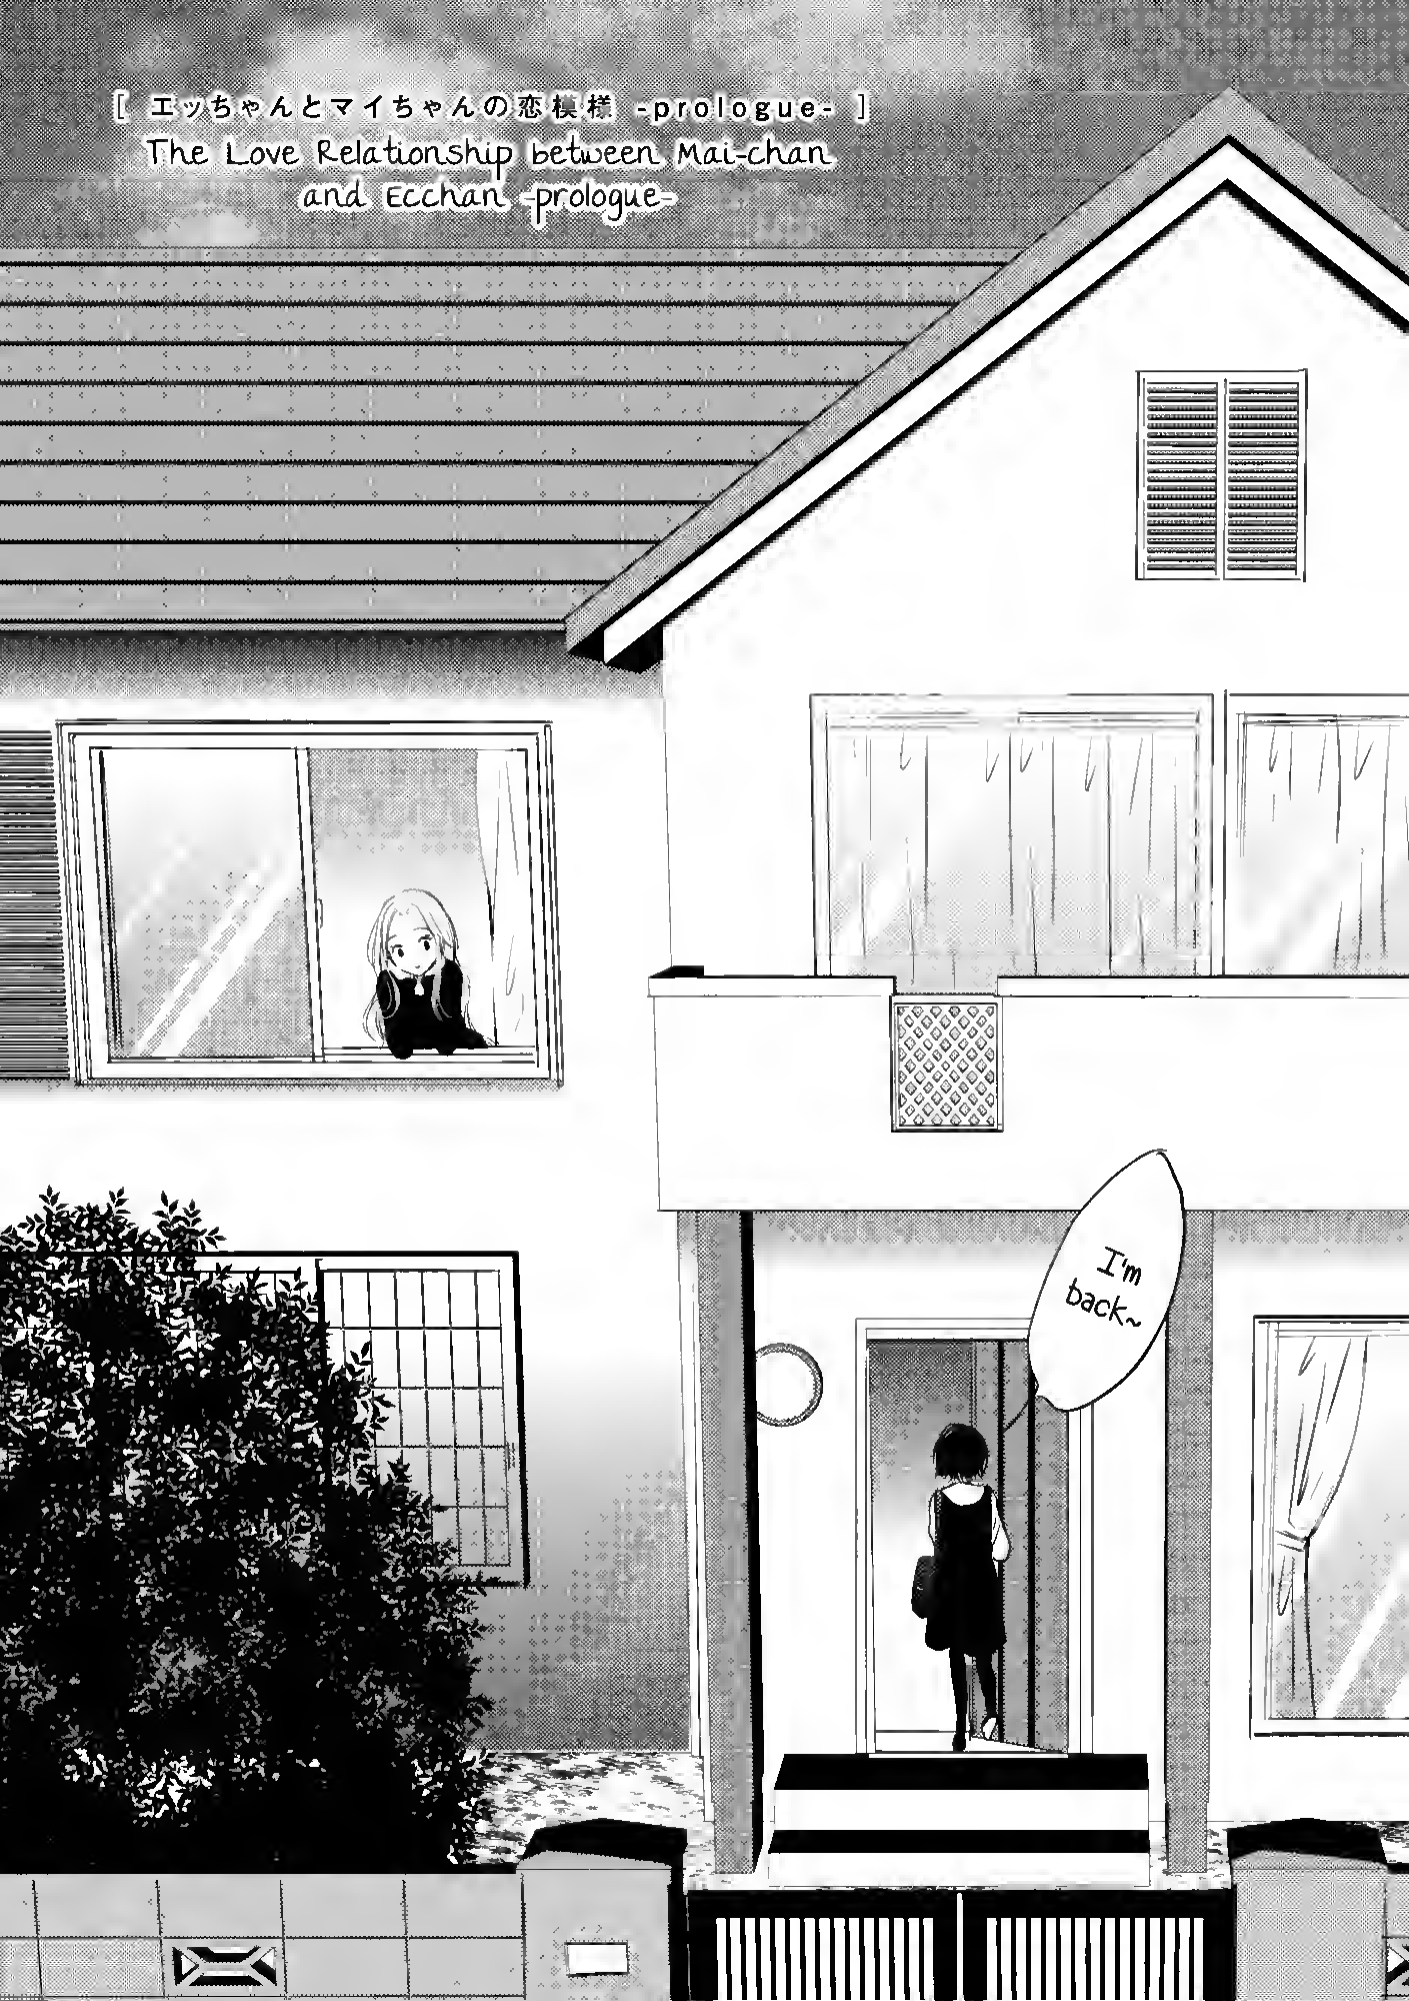
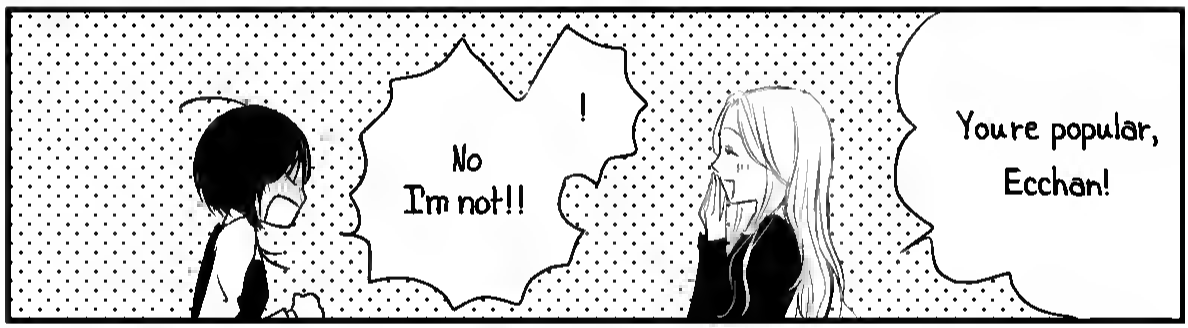
The Love Relationship between Mai-chan and Ecchan -prologue-

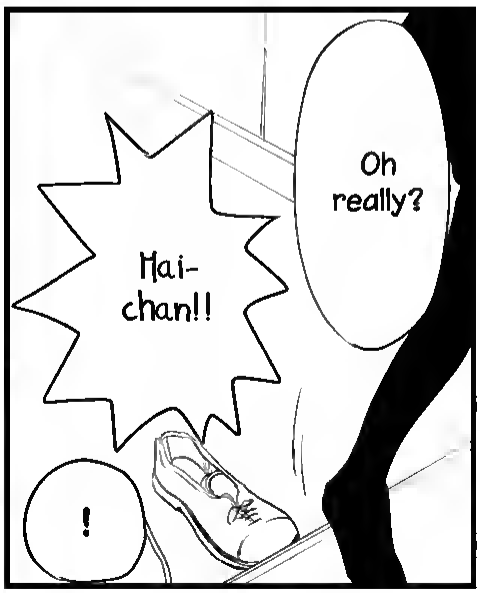


Welcome back!!
Anyway I just saw you♡ Who was that? That boy just now♪?
...!

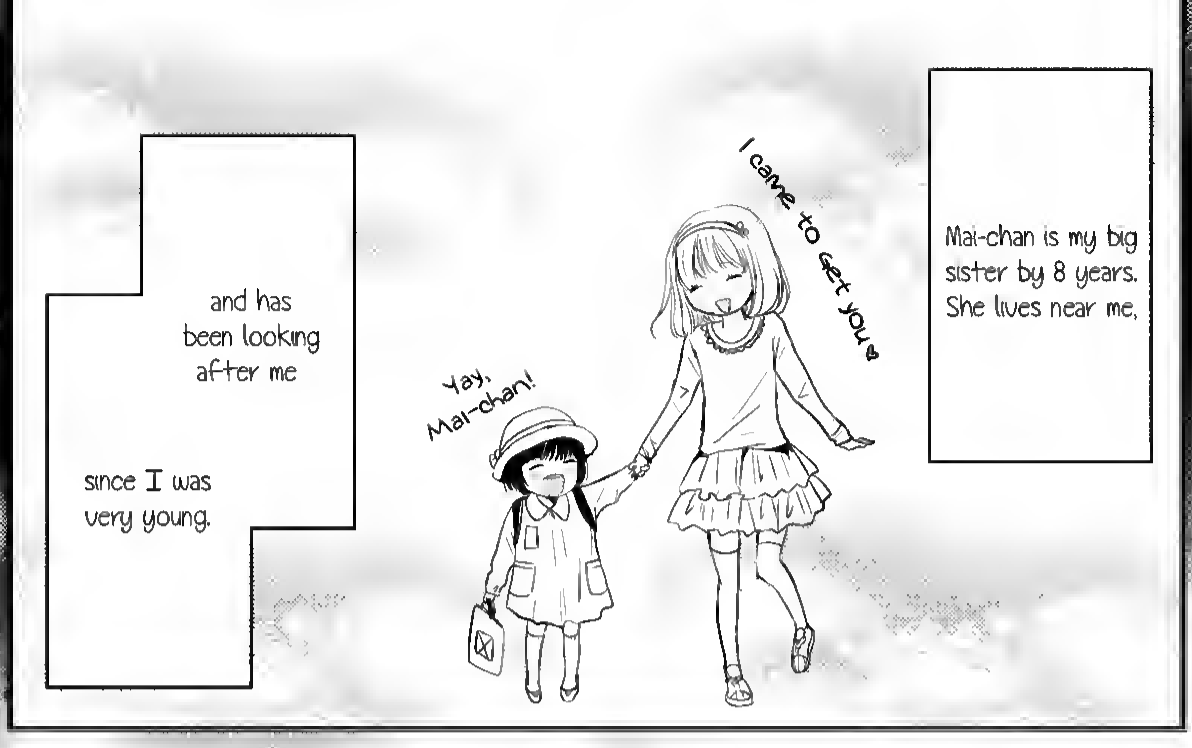


You're popular, Ecchan!
No I'm not!!
!

Please don't say silly things. Also, please tutor me again today.
Oh ho, Ecchan, you're so serious.
I have an exam after all
Yeees.



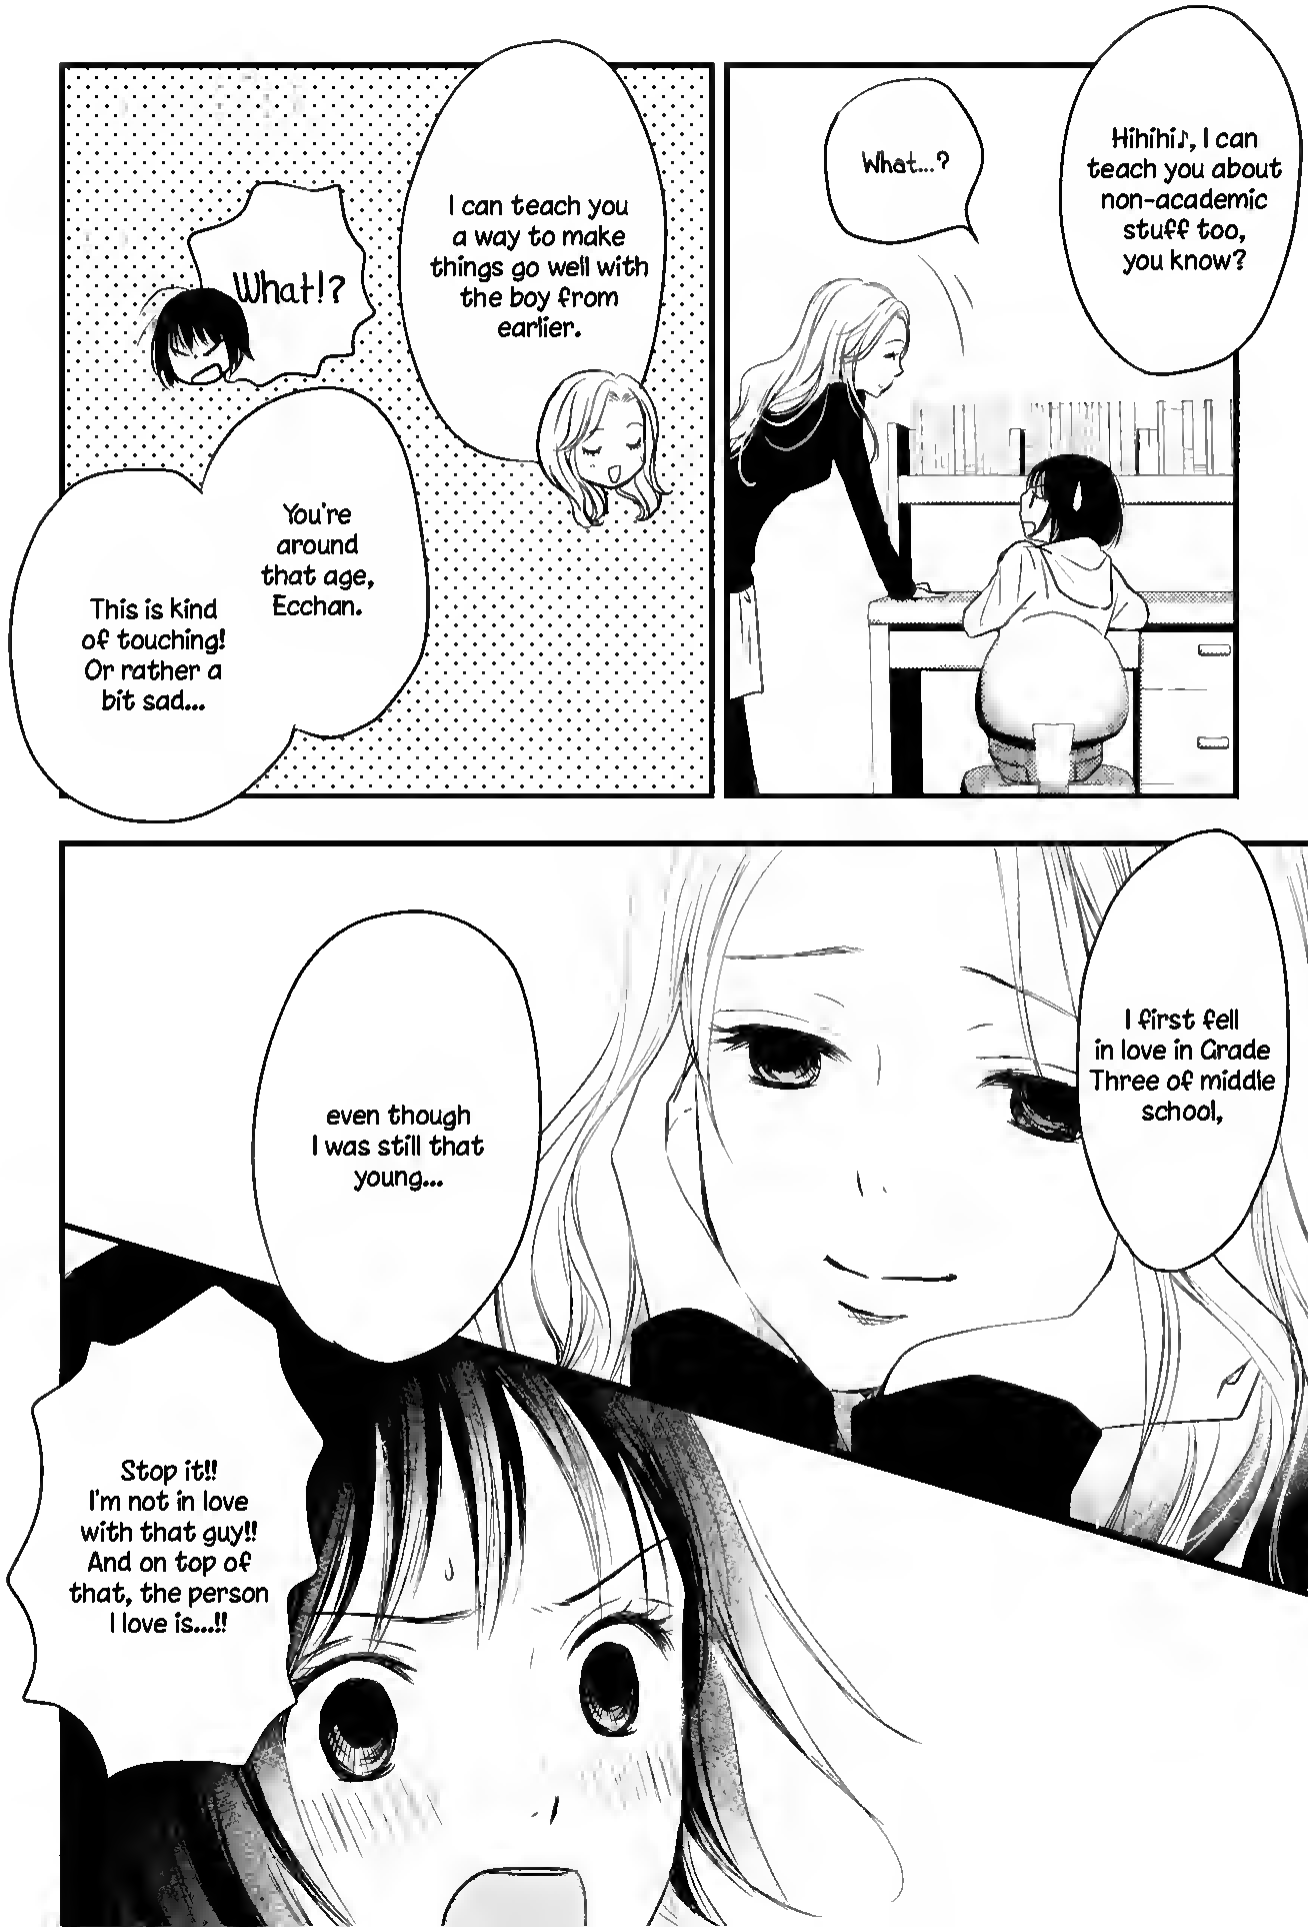
Oh really?
Hai-chan!!
!



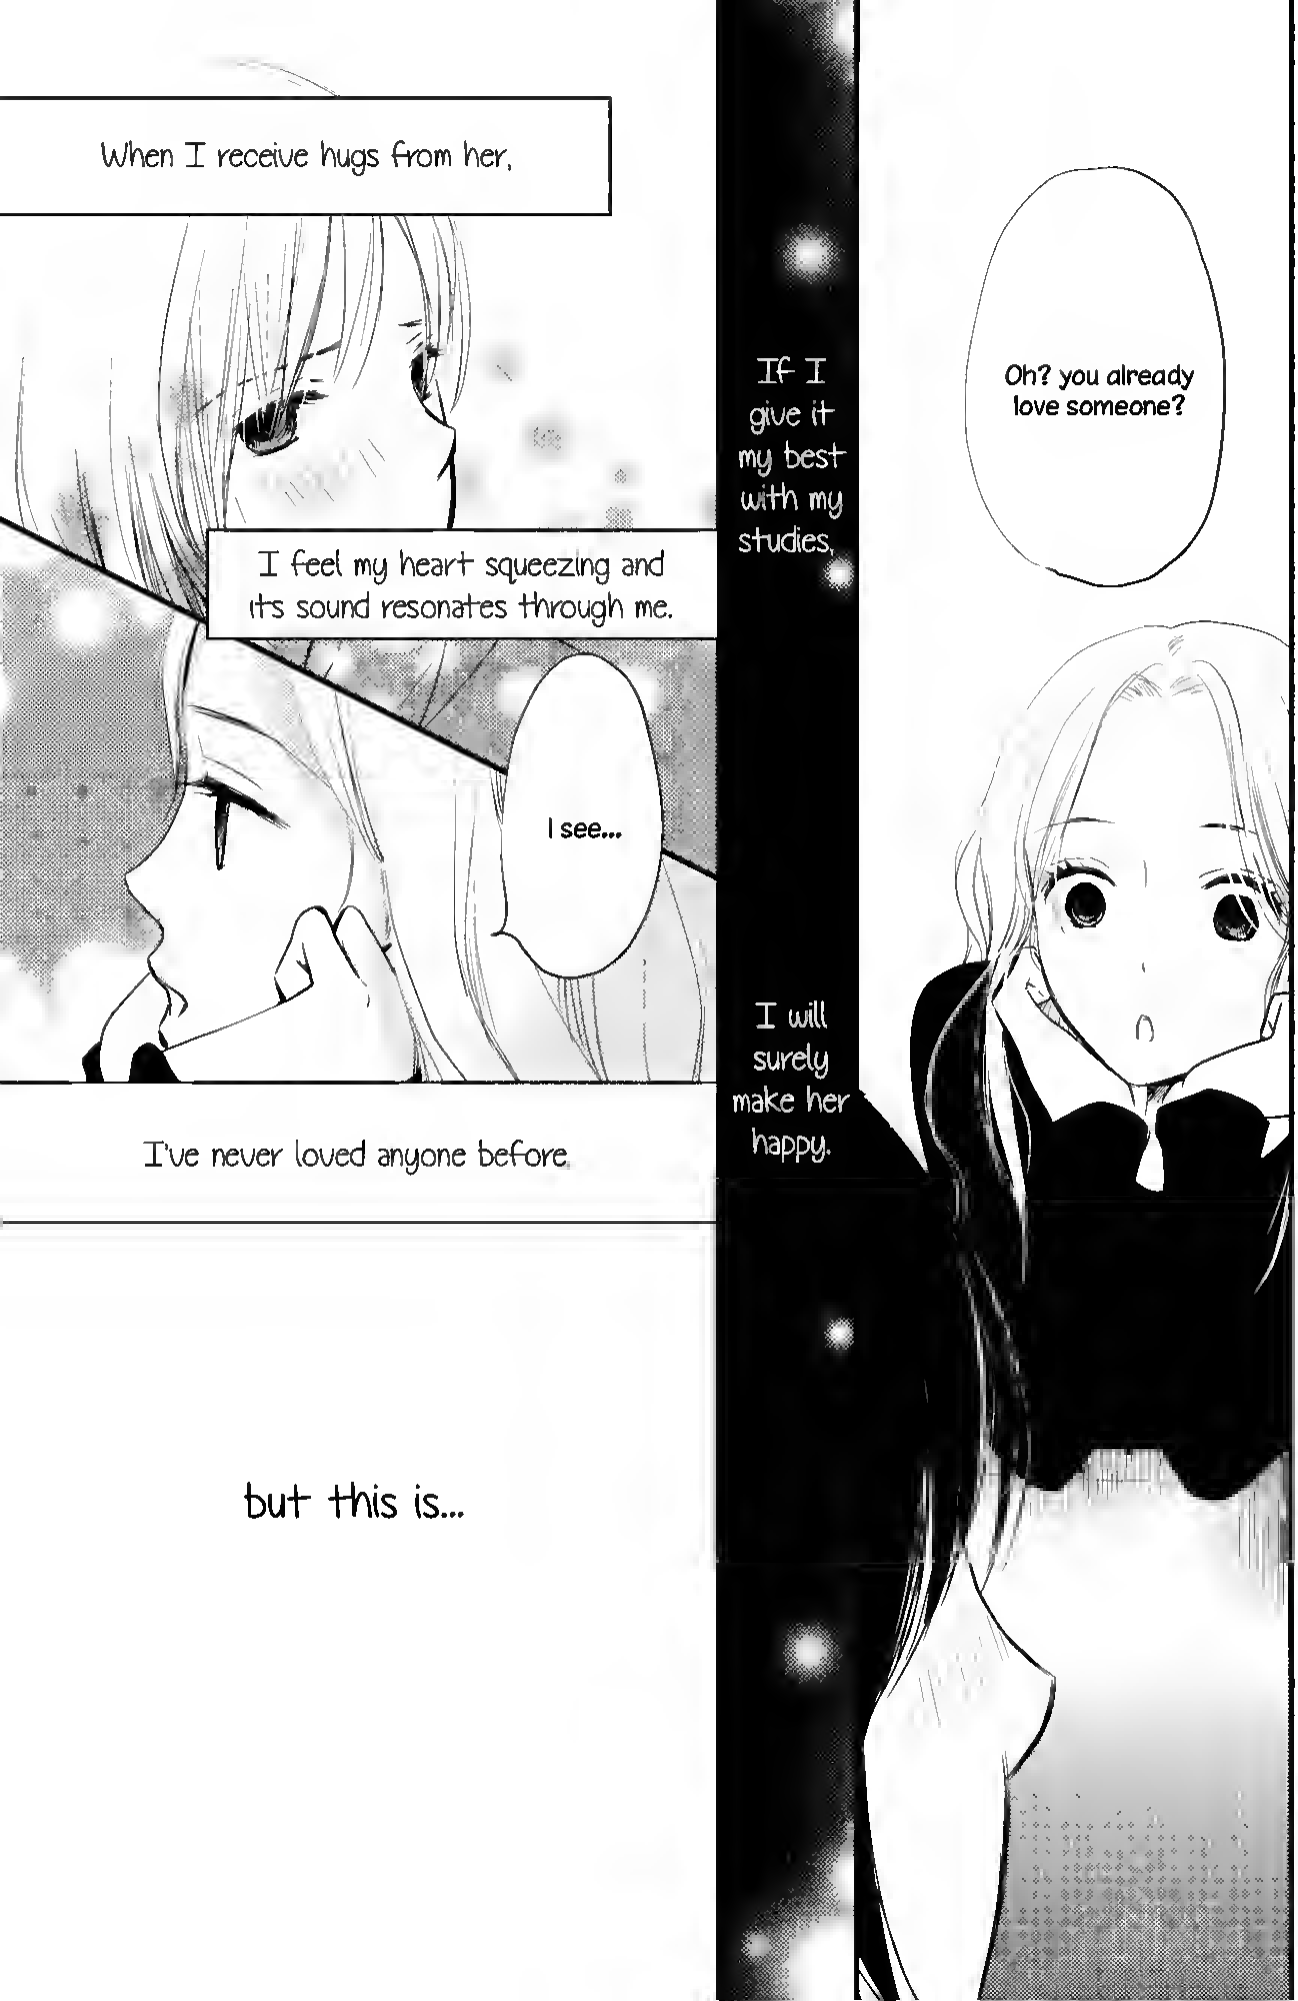
Mai-chan is my big sister by 8 years. She lives near me,
I came to get you♥
Yay, Mai-chan!
and has been looking after me
since I was very young.

And now, she's my private teacher.
Waaaow♡
You got way more points than on your last midterm test!
Well, I guess.

*Jump
Hey!
Ayyy! Amazing, thats amazing! Ecchan, youre a genius!
*Squeeze Squeeze
St-stop that...!!!
As expected from you!
*release
I thought she was going to choke me.
Yeesh!
But I'm glad far you!
Mai-chan...
You're good at teaching, aren't you...?



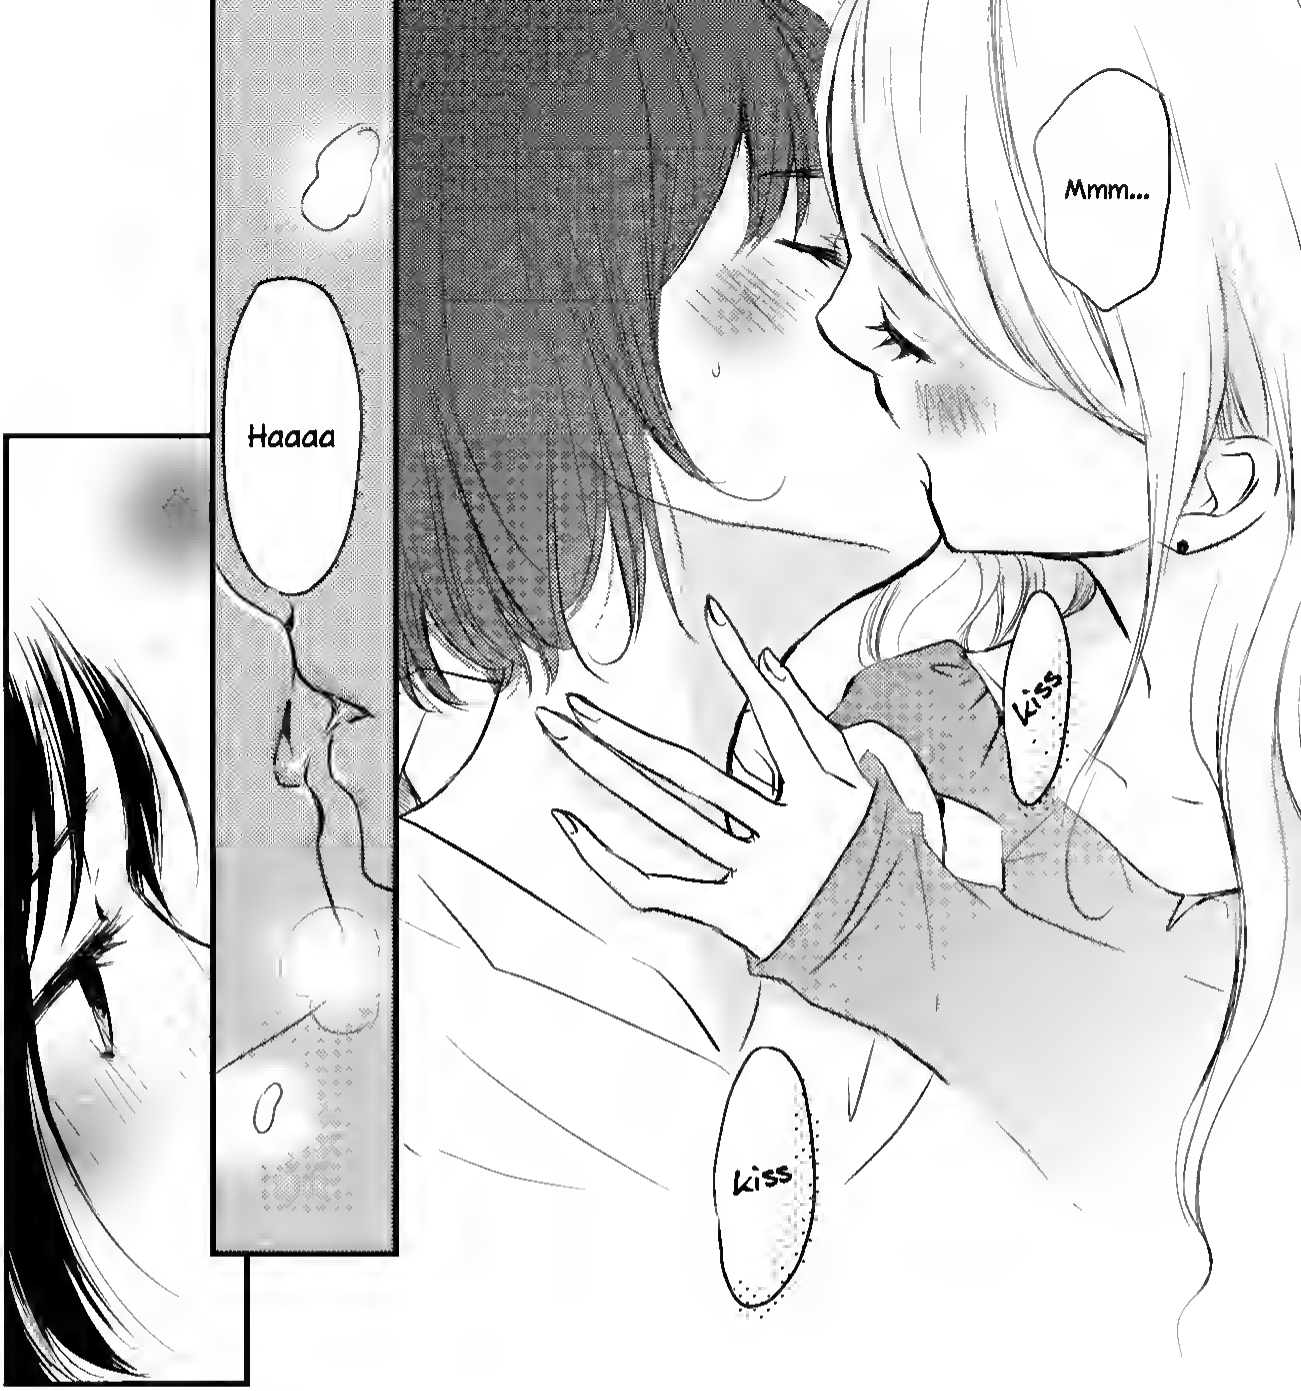
What!?
I can teach you a way to make things go well with the boy from earlier.
You're around that age, Ecchan.
This is kind of touching! Or rather a bit sad...
What...?
Hihihi♪, I can teach you about non-academic stuff too, you know?
I first fell in love in Grade Three of middle school,
even though I was still that young...
Stop it!! I'm not in love with that guy!! And on top of that, the person I love is...!!



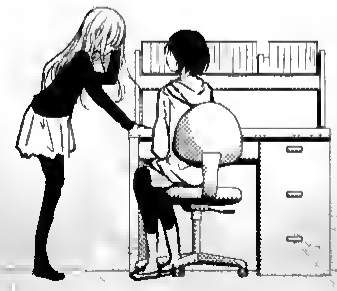
When I receive hugs from her,
I feel my heart squeezing and its sound resonates through me.
I see...
I've never loved anyone before
but this is...
If I give it my best with my studies,
I will surely make her happy.
Oh? you already love someone?

This is the secret magic formula
to make Mai-chan fall in love with me!
I read in a magazine that it's a way to make things work out with the person you love.
...What's that? Hehe.
Is it from an elementary school book?
*turn
Ecchan, do you love me?
Look at me.

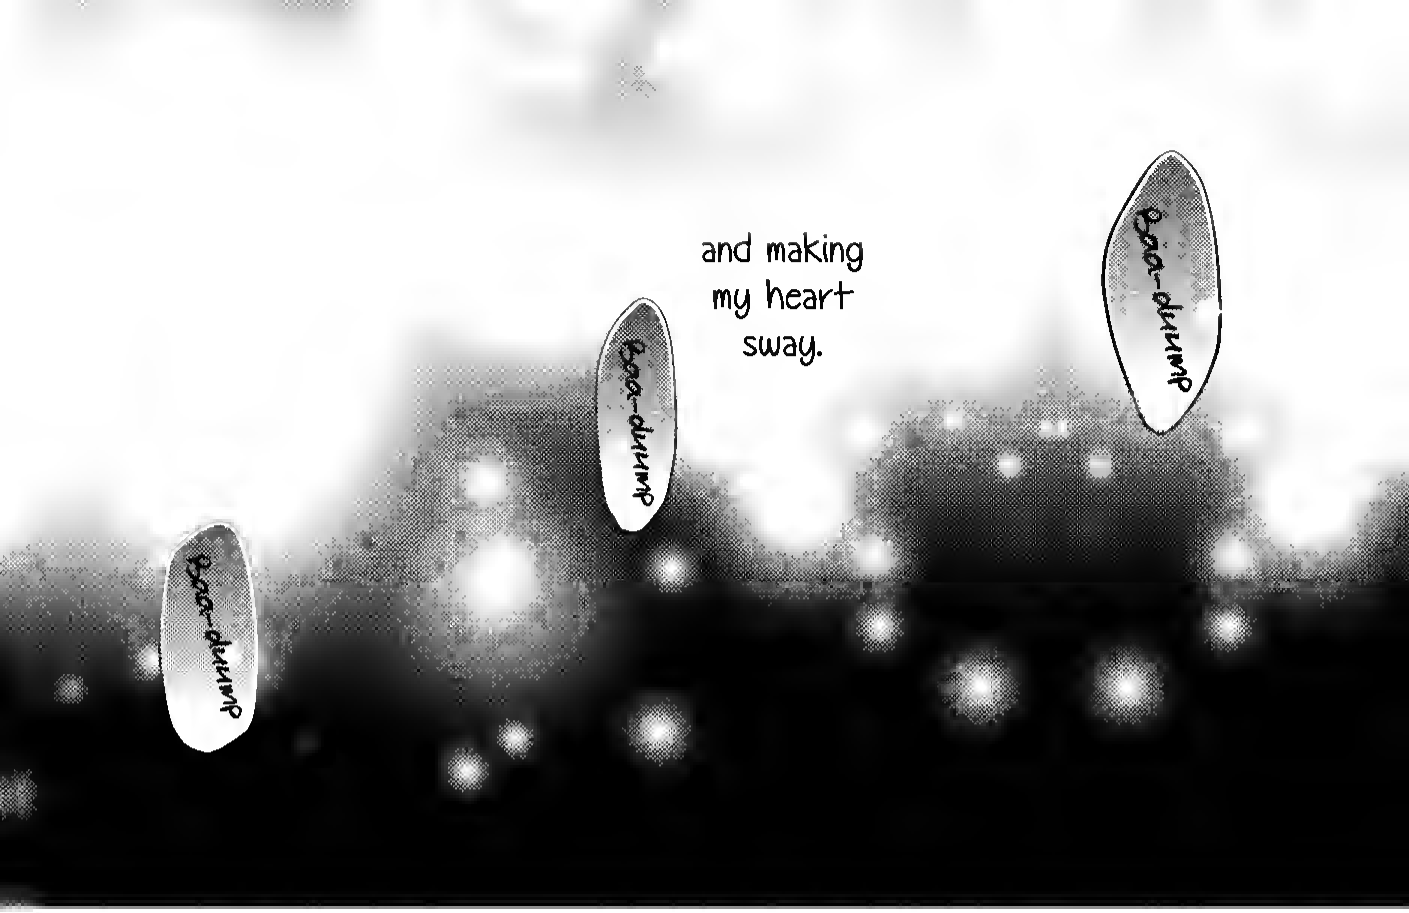
...!
Close
your eyes.
creak



You don't have to use a spell at all,



because I've loved you for a long time.
I love you, Ecchan!
This sound resounding through my body,
doo-dhump



If this is Boo-dumm

love...

Happy Valentine's Day
